

Harbury Parish Council
Quarterly Report, January 2008

In the past three months the Parish Council has:

- Installed bollards to prevent unauthorised vehicles driving on the playing fields
- Repaired the damaged tarmac under the swings
- Carefully monitored the impact of the weight restriction the station bridge at Deppers Bridge.
- Seen the final adoption of the masterplan for Bishops Bowl Lakes by SDC.
- Made representations about Biffa's plans to extend the Ufton landfill site.
- Installed extra dog bins in the village
- Has, with the help of County Cllr Bob Stevens, secured funding from WCC for a feasibility study on the need for traffic calming in the village.
