

Harbury Parish Council  
Quarterly Report April 2008

In the past 3 months the Parish Council has:

- approved a budget that increases the parish precept by only 2.5%
- created a new website that acts as a gateway to other village organisations and provides a live planning feed from SDC
- worked with WCC to get several footpaths top-dressed
- held meetings with the Village Hall management committee about improving the boundary between the Village Hall and the playing fields
- continued to investigate the possibility of a parish office being established in the village hall
- met with WCC lighting officers about the new bulbs for streetlights.
- Continued the consultation process about the proposed Bush Heath Lane development
