

## Minutes of NDP meeting on 29<sup>th</sup> April 2015

Present:

Samantha Allen, Jenny Patrick, Andrew Patrick, Bob Sherman, Janet Thornley, Marian Millington, Hazel Turner and Pat Summers.

Apologies:

John Stringer and Linda Ridgley

The objectives and policies produced by Steering Committee members had been printed and were displayed for members to view and comment upon.

Sam showed the large scale maps she had printed ready for the Open Afternoon.

Pat had been to see the Headteacher at Harbury Primary School and the Practice Manager at Harbury Surgery. The school pupils will fill in questionnaires so they can be collected and displayed on the 23<sup>rd</sup> May.

Bishops Itchington PC has been approached about borrowing their display boards for 23<sup>rd</sup> and have agreed to their use.

Michael Wellock from Kirkwells is keen to have a meeting with Parish Councillors and this will probably take place after the Open Afternoon. Therefore the date of the Steering Group's next meeting will be decided upon after Kirkwells has been consulted so they are able to attend.

A reminder was given about the importance of the Open Afternoon and the help that would be needed over the three hours.

Members of the Parish Council will also be asked to help.

The meeting closed at 9pm

*The meeting with Michael Wellock was 29<sup>th</sup> May and the next NDP meeting is on 8<sup>th</sup> July 2015 2pm at the Library.*
