At the beginning of April a call was made to Southam College requesting permission for a Youth Questionnaire to be completed by Key Stage 4 students in their Tutor Time.

The Chair of HNPSG spoke to Elaine Telford in the Southam College office who in turn asked permission from the Head of Upper School. He agreed to this request and 110 questionnaires were delivered to the office. Unfortunately the correct instructions were not given to staff and the questionnaires put into registers and then ignored by tutors and students alike. Only 10 questionnaires were returned with 30 blank ones and 70 questionnaires were "lost"!

As the opinions of young people are important a volunteer went to the Southam College bus stops in Harbury every morning for a week and encouraged students to fill in the questionnaires there and then. Due to her enthusiastic approach another 90 were produced and collated. They were from KS 3 students as well as KS 4.
