22/8 Other Organisations

1 Harbury Library

A report had been circulated prior to the meeting, key points being:

- Covid protocol remains in place despite most restrictions being lifted
- First Tunes & Tales toddler session well attended with most staying for coffee afterwards
- Library now available for hire for community, social or commercial use
- New heating in the library intended to be the same as that in the village hall; this
 would enable the old radiators to be discarded, freeing up quite a bit of space for
 more bookcases.

2 Harbury School Governors

Cllr Thompson reported that the new chair was Sue Johnson (replacing Chris Gibb). The consultation period for the MAT process ended on 4 January 2022; there were no objections. The school will continue to have monthly meetings with the trust and continue to re-evaluate.

3 Southam College

Cllr Lockley informed council that the building of a 2-storey temporary classroom, ahead of the refurbishment, was underway and on schedule.

4 Twinning Association

Mr Ron Temple had been appointed as the new chair.

5 Village Hall

Cllr Rutherford reported that several socials had been cancelled due to the spike in Covid, but regular classes ran as usual. Advisory notices had replaced the mandatory ones regarding the wearing of face masks. Three cycle racks had now been purchased

and were awaiting the laying of a concrete base. Finally, the long-standing treasurer had given 12 months' notice; it was hoped that a replacement could soon be found.

6 Harbury Energy Initiative

Cllr Balch attended a meeting just before Christmas; they were working closely with the school to install a meter and will involve the children in monitoring the savings. They were also involved with the tree planting, the scout hut improvements, and the community e-bike scheme.

7 SDC & WCC

WCC: Cllr Kettle's report arrived too late to forward to councillors prior to this meeting.

- Jeff Hobday has now replaced Patch Byrne as WCC Highways locality officer.
- Harbury Lane/Fosse way works now gone to tender; delay disappointing but anticipated start in March
- Police budget row PCP voted to reject the PCC's budget proposals of an increase in the police precept of some £3 million, representing a £10 rise per band household.

SDC: Cllr Harris's report circulated prior to the meeting; main points being:

- Covid situation has improved; hospitals coping along with the usual winter pressures
- Liaising with authorities, developers/builders to address poor road conditions
- Slow progress with traffic lights in at Harbury-Fosse junction, but it will happen.

22/9

1 Planning ref 21/03945/TREE – Fox Cottage, Chapel Street

T1 – silver birch \times 2 – reduce from 21 metres to 15 metres and shape G1 – sycamore \times 5 = reduce by 0.66 metres and shape

It was **RESOLVED** to make no representation although it was observed that, once again, there was no mention of a tree surgeon

2 Planning ref 21/03915/FUL – Herons Cabin, Bush Heath Lane

Demolition of existing brick outbuildings containing double garage, workshop and game room and replacement with dormer building to provide double garage, gym and office and studios on first floor over, removal of 4 mature conifer trees, construction of ground floor extension to front of main bungalow and application of rendering to all external masonry surface above dpc level

NB: This is to review the delegated response of objection submitted on 12 January 2022

It was **RESOLVED** to uphold the objection as the ancillary building would have an adverse effect. Cllr Allen would email the specific points to the clerk for the formal response.

3 Planning ref 22/00001/FUL – Land near to Middle Road Farm

Solar farm and battery storage together with all associated works, equipment and necessary infrastructure

It was **RESOLVED** to make no objection but to request a stronger hedgerow net gain in place, a robust traffic management plan, more consultation with the developer re community gain and proportionate funding with Ufton PC. It was also noted that the proposal did not include any educational element and little community benefit. Cllr Allen would email the specific points to the clerk for the formal response.

4 Eastfields Solar Farm – consideration of items for discussion concerning community benefits now that planning permission has been granted

A meeting with the developer is taking place on 17 February; a report would be submitted to the next council meeting.

5 Delegated Responses

Noted as per appendix A.

22/10 Environment

1 Feasibility Study Bush Heath Road/Butt Lane - update

The clerk had forwarded minutes of the recent meeting; waiting to hear further from WCC Highways. A traffic survey will probably also be needed.

2 Village Tree Planting – progress report

Mr Quinney's report had only just been received; a councillor was asked to volunteer to take the lead on this. It was agreed that the Environment Group should look at this and report back at the next meeting, with possibly the Climate & Properties Groups also having an input. Cllr Rutherford volunteered and would act as co-ordinator.

3 Deppers Bridge Traffic – consideration of '20s Plenty' campaign

Cllr Ekins asked that HPC support this campaign for a reduction in the speed limit, with the possibility of expanding it to Harbury. It was suggested that the Environment Group consult the public, through Harbury News and the PC Facebook page, as well as the Deppers Bridge Facebook page, and then report back to the council to decide on whether to support this initiative.

4 Warwickshire's Vision for Bus Travel Consultation – consideration of response

Cllr Lockley reported that he had read this consultation and, although it was full of good things and would ensure Harbury had more regular buses, there was no money available. However, it was **RESOLVED** to support the aims, and this response would be registered accordingly.

22/11 Properties

1 Playing Fields – update on tennis club lease

Progress is being made as a certificate of consent has been received from FIT. The club's solicitor has now been instructed to complete the registration of the lease with the Land Registry.

2 Seasonal lights - consideration of request to hire lights for private function

Some discussion took place on the pros and cons of loaning out lights for private functions. However, it was **RESOLVED** that this would not be allowed owing to the risk of damage and the difficulty in supervising the loans.

22/12 Climate Working Party – update following the first meeting of this new group

Cllr Balch reported that the first meeting had been well attended. Focus had been on the terms of reference – an umbrella to bring together all parties helping to publicise what can be done. An eco-fair had been suggested, attached to the carnival, and gathering information was the first step. Also, consideration was being given to sponsorships. Their next meeting in February would concentrate on costing up a proposal and avenues of funding in time for the next council meeting.

22/13 Platinum Jubilee – to discuss celebrations

This would be taking place over the weekend from Thursday to Monday, 2-6 June 2022. A lengthy discussion took place about providing bunting, a commemorative souvenir for schoolchildren, a whole village picnic, or combining with the carnival perhaps? The library and the school were doing something and, no doubt, other organisations would be too. It was felt that some co-ordination was needed so that everyone knew what everyone would be doing and there would be no clashes or duplications. Thanks were expressed to Richard Fowler at the library who offered to make the library a central hub for collating this information.

2 Bank Reconciliation for November and December 2021
