1 member of the public

26/038 Apologies

Apologies were received and accepted from Cllr Lockley, Cllr Sylvester and Cllr Allen.
County Cllr Chris Kettle had also sent his apologies.

26/039 Declarations of Interest

None.

26/040 Dispensations

None.

26/041 Minutes

It was **RESOLVED** to approve the minutes of the ordinary meeting of the parish council held on 26 March 2026 as a true and complete record of that meeting.

26/042 Public Participation

Grant application from GASS.

Mr Quinney explained the reasons for the grant application to buy new camping equipment. This includes new tents which will be available for use by the wider community as well the guides and scouts.

26/043 Community Grant Applications

1 Harbury Carnival

It was **RESOLVED** to award a grant of £503 to cover the cost of the children's entertainment at this year's carnival.

2 GASS

It was **RESOLVED** to award a grant of £1,000, which is the remaining balance of the grants budget for 2025/26, towards the cost of new camping equipment.

26/044 Other Organisations

1 Harbury Library

The library's Christmas lights are now very old and the committee has decided to replace them for next Christmas. They intend that they should match the other village lights provided by the parish council. They are still looking for a café manager and new trustee. They received a grant of £1500 from the parish council last year for new computers. They have not spent as much money as originally intended and would like to use the remaining balance to buy a storage cupboard instead. They will put their request in writing to the parish council.

2 Harbury School

The school has made excellent progress on the forest school area. Outdoor play and learning has been greatly enhanced.

3 Southam College

No report.

4 Harbury Twinning Association

No report.

5 Harbury Village Hall

There was a small fire in the kitchen during the village cinema evening last week. This had been caused by placing the fish and chip suppers in the oven to keep warm and the packaging had caught fire. It was dealt with very quickly and no one was hurt but there was a lot of mess to clear up afterwards.

6 Harbury Future Energy

No report.

7 SDC & WCC

County and district councillors reported as follows:

SDC

Cllr Ostrander's written report had been circulated to members prior to the meeting. She highlighted the following:

- The local government re-organisation consultation ends today.
- Southam SNT is setting its priorities for the second quarter of 2026.
- SDC is running health screening events again.

- SDC has a new website. It is much improved and easier to navigate.
- SDC has launched its new Growing Opportunities Plan which sets out its strategy for tackling poverty, improving health and well-being and creating opportunities for residents over the coming years.
- SDC is supporting Operation Recall, a national initiative led by Warwickshire Police to raise awareness of livestock worrying.
- Long serving District Cllr Nigel Rock from the neighbouring ward of Bishop's Itchington, Fenny Compton & Napton has stood down which has triggered a by-election for that ward.

WCC

Cllr Kettle's written report had been circulated prior to the meeting. It was noted that he has asked for investigations to be carried out regarding the water leak on the verge at the junction of Farm Street and Mill Street.

26/045 Planning Matters

- 1 [Planning ref 26/00562/LDE - 5 Henrys Place, Bush Heath Lane](#)
Assurance that S106 did not apply to the dwellings
It was **RESOLVED** to make no comment.
- 2 **Appendix A – delegated responses.**
Noted.

26/046 Properties

- 1 **Hall Lane Allotments**
 - a) Wall repairs & new access
The works are due to commence in May/June. A number of the coping stones have been stolen over the last few months so there will be an additional cost for the purchase of new ones on top of the original quote.
 - b) Advertising of Cleared Plots
It was agreed to begin advertising the cleared plots as available to new tenants as soon as possible. Cllrs Sylvester and Mulley will mark out the plots.
 - c) Spraying of Cleared Plots
Until new tenants can be found, it will be necessary to keep the vegetation under control. It was agreed that strimming, not spraying, should be carried out by the council's contractor as required.
 - d) Repairs to Water Harvesting System
Cllr Sylvester and Cllr Mulley have inspected the existing apparatus and believe it can be repaired. It was agreed that Cllr Sylvester and the council's maintenance person would carry out the repairs together. It was **RESOLVED** to make an application to SDC

for grant funding for a mains water connection. It was agreed that Cllr Sylvester, who had made the initial enquiries, would take the lead on this.

2 Cemetery Gates

It was agreed that the gates should be re-painted. The clerk will ask the maintenance person to do this.

3 Memorial Garden, Chapel Street

The crazy paving is in a very poor state and needs replacing. It was agreed to explore options and obtain quotes.

26/047 Environment

1 Stile Replacements – SM84 & SM59

The clerk has written again to all the landowners concerned and is waiting for them to return their signed authorisations to replace the stiles with gates.

2 Traffic Sight Lines at Ivy Lane/South Parade

Following the last PC meeting, the clerk contacted WCC regarding the PC's decision to commission a feasibility study to look at possible improvements to the junction. The cost of the feasibility study has risen from £500 to £1000 and WCC suggested that perhaps the PC may wish to consult with residents before going ahead. The council considered whether this would be worthwhile but agreed that some positive action needed to be taken. The council's previous resolution to commission a feasibility study was therefore confirmed and the clerk was asked to organise this.

26/048 Climate & Biodiversity

The group is currently considering how to go about producing a Local Biodiversity Action Plan. They will be having a stall at the carnival again this year.

26/049 Finance & General Purposes

1 Budget Report

Noted. No questions.

2 Bank Reconciliation Report February 2026

The bank reconciliation has been checked by Cllr Allen. Everything is in order.

3 Amendment to Standing Order for FM Farmers

The annual increase to the current grounds maintenance contract takes effect from 1 April 2026. It was **RESOLVED** to approve an amendment to the monthly standing order from £1262.21 to £1287.44 including VAT.

4 Reserve Levels & Transfers

It was **RESOLVED** to approve the transfer of £10k to the new cemetery fund and £7.5k to the new skate park fund. It was agreed to consider the level of the general reserve following the end of this financial year at the next PC meeting.

26/050 EV Charging Station

The clerk has approached several solicitors for quotes to review the lease. The majority of them are unable to provide this service but 2 quotes have been received. It was **RESOLVED** to instruct Wright Hassall to review the draft lease.

26/051 Accounts for Payment

It was **RESOLVED** to approve the accounts for payment as per Appendix B. Cllrs Stockdale and Thompson will authorise the payments and confirm that they have checked the invoices by email.

26/052 Reports & Questions

- Cllr Mulley raised the issue of lighting columns which require structural testing. The clerk is aware of this and the matter is in hand.
- Councillors Corner takes place this coming Saturday, 28 March 202 from 10am to 11am.

26/053 Exclusion of Public & Press

It was **RESOLVED** to exclude the public under Sec 100A of the Local Government Act 1972 to discuss the following matters:

1 Staff Matters

It was **RESOLVED** to delegate authority to the staffing group to deal with all matters relating to the recruitment of a new clerk and RFO.

2 Unpaid Cemetery Fees

The clerk reported that the funeral director has advised that the fees, which have been outstanding since January, will be paid by the end of this week. Assuming this is the case, no further action is required at the moment.

26/054 Date of Next Meeting

The next ordinary meeting of the council will be held at 7.30pm on Thursday, 23 April 2026 at Harbury Village Hall.

The meeting closed at 8.57pm.

Signed Chairman Date.....
